

Use this guide to walk your students through the Virtual College Fair.

Encourage students to complete the following steps prior to the Fair.

1. Watch [this short video](#) for College Fair features.
2. Go to eqf.org/collegefair to register.
3. Prepare a [list of questions](#) to ask college reps.
4. Bring headphones or earbuds to use when participating in the Fair during school hours.

In addition, YOU (as a counselor) should:

1. Register for the event at eqf.org/collegefair, if you haven't already.
2. Create or log in to your [GoToCollegeFairs counselor account](#). This is where you can monitor your students' College Fair activity.
3. Be aware that this event will include presentations and videos via YouTube, Zoom, or other platforms.

On the day of the Virtual College Fair, have students follow these steps:

1. Go to eqf.org/collegefair.
2. Log in to visit colleges and watch presentations.
3. Preview college booths. Use the search or filter options to find specific colleges.
 - Once inside a college booth:
 - Watch informational videos.
 - Participate in *Group Video Chats* or *1:1 Chat* to join a live chat with a college rep.
 - Click on *Presentations* to view live or recorded sessions set up by the college.
4. Click on *Educational Sessions* to watch live college-prep presentations.

Note: If you can't arrange classroom time for the live presentations, they will be recorded for viewing later.

5. Students who visit at least five booths will be automatically entered into a drawing for **one of three \$500 scholarships!**
